Please follow the instructions below to complete your return.

1. Ensure that there are no other tracking labels attached to your package. If you are shipping a non-hazardous item, completely remove or cover any hazardous materials markings.
2. Affix the mailing label squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
3. You can drop your return off at any FedEx or USPS location—including your local post office, postal collection box or your own mailbox. You can even choose to go to <http://www.usps.gov/pickup/> to request a free USPS package pickup from your home or business.

This label is unique for your specific return request. Please do not photocopy this label or use for alternative orders.
